Subject : Clarification regarding Equivalence of NIOS certificates - regarding.

Sir,

Please refer above captioned letters on the subject noted above.

In this connection, this is to inform that the matter with regard to acceptance of NIOS certificates for evaluating eligibility of students seeking admission in MBBS course has been considered by the Board of Governors at its meeting held on 13.08.2012. The Board of Governors decided as under :-

"The Board of Governors considered the agenda note and noted the contents of the letter received from the Director, National Institute of Open Schooling dated 28.05.2012 and thereafter decided that since the regulations do not specify as to qualification granted by particular Board will be recognized, therefore, if the requirement of Graduate Medical Education Regulations regarding eligibility criteria for admission to MBBS course are fulfilled by the students appearing in 10+2 examination conducted by the National Institute of Open Schooling they may be considered eligible for admission to MBBS course."

Yours faithfully,

 (Prof. Sanjay Shrivastava)
